## HORSEBACK HUNTS

### 10 DAY DALL SHEEP

\$25,500 US

July 14 – 25

These exciting hunts take place in some very remote and wild high country that has rarely been hunted, but has produced some exceptional rams. This is a single species hunt for those hunters who's focus is a trophy Dall Sheep, and enjoy exploring new country.

### 10 DAY DALL SHEEP/ MOUNTAIN CARIBOU COMBO

\$28,500 US

July 25 – August 5

August 5 – 16

August 16 – 27

August 27 – September 7

September 7 – 18

- Moose can be added on the Aug. 27 and Sept. 7 hunt dates for a trophy fee of \$10,000 US.

These hunts are ideal for those hunters who are looking for an extended mountain hunting adventure, and enjoy a multi-species hunt. At this time of the year, the sheep and caribou are sharing the summer ranges, which makes a combined hunt ideal.

### 10 DAY MOUNTAIN CARIBOU

\$14,500 US per hunter

July 25 – August 5

August 5 – 16

August 16 – 27

August 27 – September 7

September 7 – 18

These hunts provide a great opportunity to hunt world-class Mountain Caribou on a single species hunt. During August, the bulls are living in bachelor groups on their summer ranges in the high basins. This is also a great hunt for archery hunters looking for a trophy caribou.

### 21 DAY FULL MIXED BAG HUNT

\$49,500 US

(Dall Sheep, Mountain Caribou, Alaska-Yukon Moose, Wolf, Wolverine)

August 27 – September 18

For hunters who have the time, and want the full experience of an extended multi-species hunt in some remote and seldom hunted country, this is a great opportunity to re-live the good old days of mountain hunting. Rams in the area tend to have very heavy mass, and the Caribou hunting is fantastic, with bulls in the record book commonly taken. This is also some of the best Moose hunting country in our area, and produces tremendous bulls.

## TERMS OF PAYMENT & OTHER INFORMATION

All hunts are payable in US funds. All hunts booked are subject to the Canadian Government Goods & Services Tax. Fortunately for all non-Canadians, we only have to charge you 2.5% tax on the hunt package price, not 5% (only if the hunt balance is paid prior to April 15 of the hunt year). All other prices are subject to the 5% tax. A deposit of 1/3 of the total cost of the hunt is required to reserve a booking date. The second 1/3 is required by November 1 prior to your hunt year and the balance plus tax must be paid by April 15 of your hunt year. Personal checks are acceptable for all hunt payments. Optional game harvested is subject to the 5% tax and must be paid by cash, cashier's checks or traveler's checks. Hunt deposits are non-refundable but it may be possible to move your hunt to another year if time permits to find a satisfactory replacement hunter at full price. You then must pay the published hunt price of the year you are moving your hunt to and a transfer fee. A hunt date is considered booked and confirmed only after the initial deposit is received. Should two deposits arrive for the same hunt date, the first deposit received takes priority. All hunters are required to sign a Risk & Release Form prior to arriving in Norman Wells.
